# Canterbury Community Newsletter

Dear Friends,

After leaving the Londonderry bus station at 4 am on August 12 to Boston for a 7 am flight from Logan Airport, we landed in Bozeman, Montana at 12:15 pm, MST, Mountain Standard Time. Bozeman International Airport seems to have doubled in size since we last traveled here in December, 2012. The place retains its feel, though. Different ranges within the vast backbone of the Rocky Mountains frame this city of 40,000. Our daughter, Bekah, and her husband, Mike, live in a small white frame, two bedroom house, a remnant of what is still a tenant farmer's ranch on the northern edge of Bozeman. Corrugated aluminum out buildings are scattered around, housing equipment and materials. Bekah and Mike rent the house, working at jobs in Bozeman, not working on the ranch.

Standing on the edge of their vegetable garden, looking out across the pasture at the Cottonwoods that line the East Gallatin River half a click to the north, the Bridger Mountains loom. East of the Bridgers are the Absarokas/Bear Tooth Mountains, flanked by the Crazy's to the North. Our children and grandchildren spend weekends camping and hiking in this pristine wilderness. This land has seen many changes among the humans who live here. They are inconvenient to inhabit and to explore, even, or especially, by today's living standards. They resist taming. And, there are no cheap flights to Bozeman.

Montana's sparse population is scattered across a huge landscape. I often say that even the blades of grass are far apart in Montana. Distances between people take on a different perspective. And yet, it's easy to see similarities between the people of Montana and New Hampshire. A strong, resilient, independent spirit thrives, expressed often in a desire to work hard and not to be told what to do by others. Montana folks speak of the intrusions of California people like New Hampshire's people refer to those, like yours truly, who migrated up from Massachusetts. The ethos, the public way of being, in Montana is akin to that of New Hampshire.

The dilemma of how to be people who live by order which is not oppression, and freedom which is not license, has perplexed us since our country's founding. And, the struggle to resolve this dynamic is universal and ancient. I take odd comfort in knowing that this challenge has never been resolved once and for all, as though all we had to do was reach back and reclaim it.

As we enter another season of presidential primary campaigning, a season that we in New Hampshire get to see up close and personal, I always hope that a reasonable voice will emerge who succeeds in blending these often contradictory notions into a way of being that weaves strength, resilience, compassion, and joy.

After dwelling among the Rockies and the Grizzlies, and living with our children and grandchildren, we will return to New Hampshire on August 26. I will be glowing with the blessing of two weeks worth of being "Grampie" to Zeke and Elin, and "Dad" to my children.

It's time to glance up and look at the Bridgers as I sign off. Be well, dear friends.

Gratefully, Bill

# CES NEWS

CES has two new staff members. **Kristin Doucette** is our physical education teacher. An experienced educator, Kristin has developed and implemented physical education and health programs in both public and private schools. She has also coached cross-country track and field along with other co-curricular activities. **Randy Reed** is taking over the daytime maintenance position, replacing Andy Hurd who retired this spring. Originally a New Hampshire native, Randy comes to us from Nevada where he worked in distribution management. He also has had extensive experience teaching adaptive sports to handicapped adults. We are very pleased to welcome Randy and Kristin to the CES team.

The CES portion of the district's energy efficiency upgrade is well underway. The old furnaces have been removed and the new pellet system has been installed with propane back up. By the end of the calendar year, all lighting will be upgraded to LED units. This program is cost neutral as the guaranteed energy savings will equal or exceed annual lease payments.

School District staff will be available on September 17th from 5:00 to 7:00 P.M. for fingerprinting. Parents or community members who wish to become school volunteers need to be fingerprinted for a background check. This is done only once and anyone who has already been fingerprinted by the district does not have to have it done again. However, all volunteers must fill out the annual affidavit so their names can go to the next school board meeting for final approval. Only after that approval can individuals participate in school activities.

The CES library is sponsoring a Scholastic Book Fair during the school day throughout the week of September 14th. The Fair will also be open on the evening of the 17th from 5:00 to 7:00 P.M. As always, there will be a wide variety of selections with something to appeal to all ages and interests.

The CES annual PTO Hot Dog Supper/Open House will be held on Thursday, September 17th. Food will be served from 5:00 to 6:00 P.M. and teachers will be in their classrooms to greet visitors from 6:00 to 7:00 P.M. We hope you are able to come to visit and see what's new at your school.

## Historical Society

### TOWN HISTORY PROJECT WORK CONTINUES APACE

There has been no let-up in work being done by the Book Committee, or the History Finance Committee over the summer.

**The Book Committee** staffed a booth at the Fair which the Historical Society sponsored. Kathryn Grover was in attendance and was able to talk with many Fair visitors about her work, while also gathering information to be used in her research efforts. Interviews of many Canterbury residents have been conducted by Book Committee members and interviewer volunteers. All interviews are being voice recorded and preserved in our Archive Collection and each is being transcribed for use by Kathryn Grover. The Book Committee intends to interview residents of all ages. The Committee is also reaching out to many former residents seeking their recollections of living in Canterbury.

The Town History Project has its own Facebook page and a Blog. You can follow us at: [Facebook.com/canterburyhistory](https://www.facebook.com/canterburyhistory), or at our Blog: [canterburyhistorybook.hotspot.com](http://canterburyhistorybook.hotspot.com)

**The Finance Committee** is pleased to announce, that as of mid-August, a total of **\$46,957** has been raised towards its goal of \$75,000, or 62.6%! Much positive feedback has been received about the "Canterbury Movie Night" fundraiser held in June with many requests to repeat the show. The Committee has recommended a repeat and it will be on the agenda of the Trustees next meeting. Watch for details!

## Morris On!

Calling ALL current, former, and wanna-be Morris Dancers!! Practices for our next season are beginning. Morris dancing has its roots in England, but it is ALIVE and THRIVING in New England as well. We have traveled both within our great state as well as across local borders to see other teams and to participate with them at events that showcase this very unique and distinct tradition of dance.

It was, historically, a MEN'S dance and we would heartily embrace any MEN in town who wish to get a work out and crack some sticks together! Of course, women are the backbone of the effort to keep it alive and so, we welcome any and all who want to give it a go. It's a lively and fun group of people, who all at one point, didn't know how to Morris dance, but who have since turned an ankle, bashed a knuckle, and downed a pint all for good fun.

If you are interested in joining us, (adults, and young adults 5th grade and up) please come to our next practice, or if you cannot make it, please contact Polly Camire (783-8374 or [jpacamire@hotmail.com](mailto:jpacamire@hotmail.com)) to let her know you are interested. We practice at the Parish House from 6:30-8:00 pm on the following dates:

September 24  
October 22  
November 19  
December 29

Hope to see you there!

**This is a Monarch caterpillar!**

**Not fuzzy!**

## 3rd Annual Monarch Festival at Petals in the Pines Saturday, September 12 from 9-4

Come to *Petals in the Pines* for a day focused on learning about, and celebrating, the amazing Monarch butterfly. Tour our 24 theme gardens, including the "Butterfly Garden," where you can learn how to attract these colorful creatures to your yard. We'll have information and fun activities for young and old alike, crafts for kids, and a wide variety of unique Nature Explore play-places. *Petals in the Pines* has been chosen by NH Magazine as the 2015 Best Outdoor Classroom in the state! Mexican food will be available, sold by the BHS Spanish Club as a fund raiser for their fall trip to Costa Rica.

The Monarch population has been drastically reduced in recent years, and we plan to educate our visitors on what can be done to help save them. Visit our "Monarch Maternity Ward" garden and "Pollinator Garden" to search for Monarch eggs, chrysalises, caterpillars and butterflies. We'll do butterfly wing tag and release demonstrations (if we have any Monarchs emerging.) There's something here for all ages! A \$5 per adult donation is suggested and kids are free. Donations will help us continue our work in advocating for the Monarch butterfly.

Stop by the farm stand for whimsical garden crafts or for plants that attract butterflies to add to your landscape. Call Donna at 783-0220 for more information or visit our web site at [petalsinthepines.com](http://petalsinthepines.com). Look for the "Monarch" signs to direct you to 126 Baptist Rd. Please leave pets at home. Carpooling is encouraged.

## Monarch Butterfly Watch

Early September is peak migration time for Monarchs, when they fly from our region all the way to Mexico to their overwintering site. For the past several years I've been tagging Monarch butterflies as a citizen scientist for Monarch Watch at KSU. The Monarch population has plummeted over the last several years, and much research is being done on this miraculous butterfly. Monarch caterpillars eat milkweed as their sole source of food. If you have milkweed growing in your yard and notice any caterpillars living on the plants, I would be happy to raise them to the butterfly stage so they can be tagged for their trip south. Monarch caterpillars are yellow, black, and white but are not fuzzy. (There is another milkweed caterpillar with the same colors that is very fuzzy--the Tussock Moth.) If you have any Monarch caterpillars you can either drop them off in a container with air holes and some milkweed leaves at *Petals in the Pines*, 126 Baptist Rd., or I will come get them—either way, please call first and leave a message. You can track our Monarch activity on our *Petals in the Pines* Facebook page. Please call Donna at 783-0220 for more information.

## Town Administrator news

The Selectmen and Town Office Staff would like to thank Gordon Jackson, Dale Caswell, Sandy Morris and the Highway Department for the work done around the fire pond next to the Town Office. The old chain link fence and posts were removed and the brush that had grown up through the fence and around the pond was cleared. The work has greatly improved the appearance of the area.

Work is continuing on the new platform for the town website. We hope to have the new site up and running in early fall. The Board of Selectmen and the Budget Committee met in August to review the budget. At this time the budget is in line with where it should be given we are just past the 6 month mark.

Our Town Assessor, Mandy Irving, completed a weeklong Fundamentals of Mass Appraisal class sponsored by the International Association of Assessing Officers on August 7th.

The Sam Lake House Renovation Committee is continuing the work on plans to present to the town for renovation of the Town Office building.

## Canterbury Fire Department

So far it's been a great summer, a little hot and, believe it or not, it's pretty dry in the woods. Please be extra careful with your seasonal permits and remember that brush fires have to be out by the next morning at 9:00 am.

Today we will be losing one of our Captains, Adam Angwin and family. They are moving to Florida to start a new adventure. Best of luck to them. Adam has been with our Fire Department for 11 years and has worked as an Officer for most of them. He has been an asset to the community and this Department. When he first approached me about switching from the Loudon Fire Department to our Department, I was delighted and brought him aboard. He had spent fourteen years with the Loudon Fire Department as a firefighter and EMT before coming here. Adam spent a lot of time at our station on weekend coverage making sure we had the trucks and personnel to respond to the calls. He has also been a big help to me as part of his job was to write fire permits, help with inspections, inventory all gear to include pagers, radio's key's, safety equipment, and reporting to the state for the NHFIRS reports. He also assisted in training and setting up the crews for the Loudon NASCAR Races in the Spring and Fall. As his Chief and father, I will miss him as will the rest of the Department. We wish him well in his new adventure.

As Smokey would say, only you can prevent wildfires. Please be careful and stay safe.

~ Chief Peter Angwin

## Canterbury Shaker Village September Events & Workshops

Summer has been GREAT at the Canterbury Farmers Market

More Local Goodness Still to Come in September!!

We have been so happy to see all the friends, neighbors, new faces, shoppers, and supporters who have been at the market this summer — market attendance has been WAY up! If you haven't stopped in yet to see us on a Wednesday afternoon, you still have plenty of time. There are FIVE more markets in September, and the fruits and veggies just keep getting bigger and better and riper and tastier! Plus we have a slew of great music lined up, some special guests, lots of samples for tasting, made-with-care handcrafts, activities for kids, and did we mention that there is SO much local goodness to eat that you better bring two canvas bags (or perhaps a friend) to help you carry it all home?

We'll be in the center next to the Elkins Library each Wednesday afternoon from 4-6:30pm, rain or shine (excepting big thunderstorms). We look forward to seeing you there, too!

—> Sept 2 – Picnic at the Market / Music by Liz and Dan

—> Sept 9 – Blues and BBQs / Music by Erik Ray

—> Sept 16 – Veggie Surprise / Music by Jordan Tirell-Wysocki

—> Sept 23 – Art at the mARkeT / Music by Tim Gurshin

—> Sept 30 – Fall and Fiber Frolic / Music by Delanie Pickering

**Sept. 30 is the last OUTDOOR Market of the 2015 season, but there are two more INDOOR Markets on Sat., Nov. 14 and Sat., Dec. 19, from 10am-1pm at the CES Gym.** If you want to get a reminder of upcoming markets and events, you can sign up for the Market News either in person at the Market Info Tent on Wednesdays during the season, or at any time by going to the home page of our website [www.ccfma.net](http://www.ccfma.net). You can also find us on Facebook!

## HOW TO PLACE A NEWSLETTER AD

The deadline is the 15th of each month. \$7 for 30 words or less or \$14 for up to 60 words. Please email ad to newsletter (see address below) and mail payment to CUCC, PO Box 216, Canterbury, NH 03224. Must be received by the 15th!

# THANK YOU!

Many thanks to everyone who helped out at the children's activities at the fair.

Special thanks to Pembroke Sand and Gravel who donated sand for the buried treasure dig, Eric Glines for bales of straw, Nadine Dawl who hand-sewed over 100 bean bags, and last but certainly not least, Jeff Beltramo who crafted a professional spin art machine!- which worked very well and will last us many years.

We ran an obstacle course this year. The fastest boy was Wyn Ledaux at 14.71 seconds and the fastest girl, and fastest all around was Ellie Clarner at 13.53 seconds! Great job to all. Many kids continued to beat their own personal best. See you next year!

## Independence Day in Canterbury

I truly appreciate this day and I appreciate this town. From my place behind the microphone I get to watch so many wonderful things; Antique cars, people waving flags, little babies enjoying their first 4th of July, proud parents, Morris dancers, lifetime friends laughing together and my family. Could it really get any better?

A sincere thank you to Emily Preston, Donna Miller and my family. Thanks to the Church for always allowing me to use the microphone set up. The Canterbury Volunteer Fire Department did an outstanding job at providing rides. The Canterbury Morris Dancers did a beautiful show and last, but not least.... the fireworks display by the Canterbury Volunteer Fire Department, under the direction of Scott Ruesswick, was fantastic. We are very lucky indeed.

It has been my patriotic honor and delight to organize the 4th of July games for 13 years. However, it's time for someone to take over. You won't believe how easy it is, all the stuff is all ready to go for 2016. Come see me at the Library or email me at [bakercompany4@gmail.com](mailto:bakercompany4@gmail.com). Thank you!

The Canterbury Fair Bake Table was a huge success this year. Thank you to all of the workers and the bakers for making it a success again this year.

Thanks, Debbie Snow

# LOUDON FOOD PANTRY

## Canterbury Fair & Loudon Old Home Day

We set up a booth at these events each year. Again this year, we had a lot of fun! We met up with old friends and made some new ones. I'd like to thank everyone who donated and purchased our products. Without your help, we would not be able to feed as many households that we do!

### Macy's "Shop For A Cause"

As you may know Macy's "Shop For A Cause" is a unique one-day-only shopping event created to support local charities' fund-raising efforts, which has helped raised more than \$46 million for charities across the country since 2006. Macy's provided Loudon Food Pantry with "Shop For A Cause" shopping passes. As of August 14th, we sold 5 passes for \$5.00 each. That was \$25 that helps our cause and lots of savings to those who purchased the savings passes. I will update you in the next publication concerning the table we set up at Macy's on August 29th.

### Donations

Like every other food pantry, this is a really tough time of the year for us. Our donations are down considerably. Our shelves are empty and we are missing food staples that help to sustain the households that we feed! We need your help!

All food items will always be accepted but below is a list of items that are most needed:

**Canned Beans** – All types.

**Peanut Butter** – All types

**Canned Tomato Items** – All types (diced, crushed, pureed, etc.)

**Canned Fruit** – All Items

**Canned Vegetables** – Spinach, Beets, Wax Beans are badly needed.

**Mashed Potatoes** – Any Flavor

**Ready to Serve Soup** – Any Flavor

**Condensed Soup** – Any Flavor (creamed soups as well)

**Breakfast Items** – Any Kind

**Canned Meats** – Any Kind

**Shaped Pasta** – Any Shapes (elbows not needed)

**Canned Pasta** – Any Kind

**Fresh Produce** – The farmers this year are being very generous (Thank You!). But we can always use more produce. Our people love fresh produce.

**Frozen Meat** (this includes professionally butchered game meat) – We give out canned and frozen meat each week. Other than private donations, our only other source for meat is The New Hampshire Food Bank. They do not always have meat for us to purchase. So meat donations will be extremely helpful.

Donations can be dropped off at Loudon Food Pantry, 30 Chickester Rd., Unit D, Loudon NH (in the same parking lot as Loudon Garage and Foxy Hair Care). Our office hours are Monday – Thursday 10:00 AM – 1:00 PM and then we reopen from 3:00 PM – 6:00 PM. Monetary donations can be mailed to the address above! Check out LoudonFoodPantry.org for the current list of our drop-off locations in your area.

Thank you for your support and your help in assisting us in feeding households who are struggling to feed themselves!

~ Sue, Bill & Sarah

## COME WALK WITH US

Concord CROP Walk

Saturday, October 10, 2015

Calling all CROP Walkers and donors! The date has been set for Saturday, October 10th, 1:00 pm (rally @ 12:30 pm).

Sponsored, as always by the Concord Area Interfaith Council, this ecumenical walk is a great way to help your community in a very tangible way and get some exercise to boot!

CROP = Communities Responding to Overcome Poverty

25% of the funds raised stay in the Concord area to help fund almost a dozen food pantries (including the Loudon Food Pantry). The remaining 75 % of funds raised goes to Church World Services, which is an interdenominational relief agency that is often one of the first "on the ground" when disaster strikes.

This is a 10K (6.2 mile) walk in the south end/downtown Concord area. There is ride support for those who can't walk the whole distance.

We encourage you to join our team, the Canterbury Cropsters, or create your own team and walk with us for this cause. You can join our team and/or donate on-line at [www.churchworldservices.org](http://www.churchworldservices.org) click on "CROP Hunger Walk," go to "NH" then "Concord CROP" and find the "Canterbury Cropsters" .

You can also contact Sonette van der Merwe 540-9325, LeAnne Fifield 455-6006 or CUCC 783-9365 to get information, sign up to walk, get walker pledge envelopes, or to donate directly to this important event.

Walkers will be asking for you to give your donation when you pledge. Checks can be made out to CWS/CROP.

Join us and be a part of the solution to end local and world hunger! Thanks!

~ LeAnne Fifield
