

FROM THE PASTOR

Dear Friends,

A Marine friend from Vietnam called me about 6 weeks ago. He was walking the beach in San Diego, on a visit to his daughter. Doc, he said, the reunion this year is at Shockley's Farm, as usual, in Conway, Missouri. It's on the weekend of October 3-4. I'll be there early, just letting you know.

I had never attended this reunion. This was to be the 5th Annual Reunion of Combined Action Platoon 2-7-10, a Marine squad of 8 Marines and a Corpsman (me) who served together 45 years ago. However, something in Luis Martinez's voice, and inside me I suppose, said, I think I'll go.

For three and half days I lived on Shockley's Farm with those men, and four of their wives. The agenda was simple. Eat, drink coffee, and be with each other. There was nothing else to do. And, we did this, with never a lull in the conversation. It was as though no time had passed, and required no recovery.

I do believe that a congregation, at its very best, offers this to its members, friends and the community. Unstated caring is at the core of our life. If it isn't, we have lost our way. The Executive Officer of our company, who looked out for ten such teams as my own, wrote to me when I told him how the reunion had been. He couldn't attend. He said, "It must have been great to simply open the curtain to some of our quiet thoughts with folks you know still have your back. Humbling indeed....and more than a little lucky."

Peace be with you,
Bill

Courageous Exploring Scholars Update This month's reporters: Cate McDonald and Emanuel Mahoney

The Courageous Exploring Scholars have been working together in many different ways.

In math, we are working in groups to help us with our learning progressions and to engage us in learning.

So far, we have gone through place value in the first few weeks.

The math coaches are Mrs. Wieck, Mrs. Cameron, Mrs. Briggs, and Mr. Conway. Now we are working on decimals in the math groups.

Every two weeks every class takes a pretest to see where you are in the unit. The math groups are fantastic for our team this school year.

The Courageous Exploring Scholars did a fantastic job hosting the Harvest Moon Supper on October 1st. We raised \$300 for the Friendly Kitchen and the Loudon Food Pantry by creating clay bowls with Miss Cotnoir in Art. We could make a pinch pot or a coil pot to fire in the kiln. We then glazed and fired again. The bowls were safe for eating soup out of. These were sold at the Harvest Supper for the price the consumers wanted to pay. Each class did their part in making the food for the night. Mrs. Briggs's class set up and made the salsa. Mrs. Cameron's class made the zucchini muffins. Mrs. Wieck's class made the vegetable soup. All the vegetables and herbs came from the school garden the students worked hard to grow. The Harvest Moon Supper was a great success!

On October 8 the three classes went on a field trip up to Franconia Notch, Lincoln to see the Flume. The purpose of the trip was to learn about the natural beauty of New Hampshire. We watched a twenty minute movie to learn a little bit more about the area and the Old Man of the Mountain. In our groups we saw waterfalls and formations. We learned about the glaciers and went on a scavenger hunt. It was a great day to enjoy the beauty of New Hampshire!

The Canterbury Rascals had our Honor's Evening on October 5th and welcomed 12 new members. We now have a total of 40 members! The officers are: President: Josie Scarponi, Vice President: H LaVallee, Secretary: Katherine Wieck, Treasurer: Cecilia Condi, Reporter: Claire Crockford, Historian: Sophie Miller, Recreation Chair: Mya Maas-Kiesel, Refreshment Chair: Mary Osmer, Healthy Living Officer: Madison Scarponi. All members received recognition for their participation with 4H.

4H members helped serve dinner at the CES PTO Hot Dog Supper and carved pumpkins for the Town Halloween event for community service. Sewing projects will start up later in the fall.

There will be an Uno's Dough Raiser on Thursday, November 19th at both the Concord and Tilton locations. Contact one of our 4H members for a ticket from Uno's so a portion of sales will go to our club. It can be used for lunch, dinner or take-out on that day. Please come out and support our 4H group!

Morris On!

Calling ALL current, former, and wanna-be Morris Dancers!! Practices for our next season are beginning. Morris dancing has its roots in England, but it is ALIVE and THRIVING in New England as well. We have traveled both within our great state as well as across local borders to see other teams and to participate with them at events that showcase this very unique and distinct tradition of dance.

It was, historically, a MEN'S dance and we would heartily embrace any MEN in town who wish to get a work out and crack some sticks together! Of course, women are the backbone of the effort to keep it alive and so, we welcome any and all who want to give it a go. It's a lively and fun group of people, who all at one point, didn't know how to Morris dance, but who have since turned an ankle, bashed a knuckle, and downed a pint all for good fun.

If you are interested in joining us, (adults, and young adults 5th grade and up) please come to our next practice, or if you cannot make it, please contact Polly Camire (783-8374 or jpacamire@hotmail.com) to let her know you are interested. We practice at the Parish House from 6:30-8:00 pm on the following dates:

The Canterbury Community Farmers Market says THANK YOU

Though every once in a while it gets left out of the headline in the interest of saving space, the MOST important word in our name is "Community." We give THANKS all the yearlong for the community of farmers, growers, harvesters, boilers, bakers, crafters, and vendors who do all the hard work to bring such local goodness to the market each week. We give THANKS to the community of friends and neighbors and supporters and travelers who make time in their busy schedules to come to the market and take advantage of the riches that are there for them, and chat with their neighbors, and listen to the music, and pat the dogs. We give THANKS to the community members who have stepped up to do the planning, organizing, e-mailing, tax-work and schlepping to get the market up and running and keep the selection of products great and the atmosphere friendly. And we give THANKS to the Canterbury community who has embraced the idea of this special event that happens each week in the center and supports our efforts to bring good food and good community to you, all the year round. Many THANKS, indeed!

Pleasures of the Parlor: Middle-class Domestic Music-making in 19th-century New England

In 1904, 150 delegates to the National Piano Dealers' convention waved lights and danced around a bonfire made of hundreds of square pianos. Why? What's a square piano? How had middle-class Americans, their instruments and their songs changed over the preceding decades? Marya Danihel discusses music made at home in pre-Victorian and Victorian New England, illustrating her social and music history with live performances of songs from 19th-century collections, contemporary paintings and illustrations, and excerpts from etiquette books and memoirs like those of Portsmouth's Sarah Parker Rice Goodwin, wife of New Hampshire's Civil War governor.

LOUDON FOOD PANTRY

Thanksgiving Boxes

Thanksgiving Boxes will be handed out the week of November 16th. As of the submission of this article (10/16/15) we have 62 households signed up. This is lower than last year because we no longer support Epsom (they have their own food pantry now). We do have some households from Epsom that were grandfathered in. The last day for signup was October 31st. If you sign up after that date we will try to accommodate you. If you need a box please don't hesitate to sign up. Call 724-9731 and speak with Sue.

Holiday Boxes – Sign Up Now

There is still time to sign up for your Holiday Boxes. Anyone who is a patron of Loudon Food Pantry is eligible for a Holiday Box. Please sign up early so that we know how much food we need to have on hand. Again, if you need a box, don't hesitate to sign up. Call 724-9731 and speak with Sue.

Annual 50/50 Raffle Fundraiser – November 1st through to December 15th

Our annual raffle is on. The lucky winner will receive half the ticket sales — so the more tickets we sell, the more the winner takes home. Ticket Prices: 1 Ticket for \$1; 3 Tickets for \$2; 7 Tickets for \$5.

Tickets can be purchased at Loudon Food Pantry, 30 Chichester Rd., Unit D, Loudon. Our office hours are Mon.–Thur. 10 a.m.–1 p.m. then we reopen from 3–6 p.m. An order form will also be available online at LoudonFoodPantry.org. The winner need not be present to win. Need more info? Call Sue at 724-9731. Good Luck Everyone!

Donations Still Needed

As the time to hand out Thanksgiving and Holiday Boxes comes closer, we need donations to fill this need as well as feed households on a weekly basis. Financial donations are used to purchase food that is needed to fill the boxes.

Donations can be brought or mailed to Loudon Food Pantry, 30 Chichester Rd., Unit D., Loudon NH 03307. There are also many collection bins in Loudon, Canterbury, and Epsom. Go to our website LoudonFoodPantry.org for a current list which includes food needed for the Thanksgiving/Holiday Boxes as well.

Updates

Annual Blues & Lobsterfest – We had a great time at this event. The people are great and the music is terrific! Between the entrance fee, the raffle, and donations we received \$489 and a box of food. We'll be there again next year and hope to see you then.

Halloween Party at LES – We had to submit this article the same day as this event was being held. I will update you on this event in our December article. But if you want to see the results soon, go to LoudonFoodPantry.org for an update.
