

# From the Pastor

October Greetings Canterburians,

Let me begin by giving a shout out to the Canterbury Elementary 5th grade class and their teacher Mrs. Wieck! I had the honor of being one of their participants in the morning assembly they led a couple weeks ago. The school has decided to encourage a theme this year of community, with the children gaining understanding of what it means to be part of a larger community. This class decided to kick off their assembly by presenting a creative skit in which they visited some of the adults they might see out in the Canterbury community, and singing a verse about each of them. (using the age-old musical theme from Mr. Roger's Neighborhood). I was in good company with Rachel from the library, Ernie from the police department, Mindy from the early childhood learning center, and Donna from Petals in the Pines. We had a good time as the children visited the customized houses they had created for us, and introduced each of us to the other children with their song.

The Canterbury United Community Church is also wanting to reach out in a fresh way this fall and ask who the people are in our neighborhood. Some of you may have moved into the Canterbury community recently and are just beginning to learn all that the community has to offer. Exploring the content of this newsletter is a good place to start! Or perhaps you have been here for some time and may not have had the chance to meet many of your neighbors or enjoy the many and varied activities going on right here in Canterbury. We are trying some new things this fall at the church in our children's programs. We are also planning an event later this fall that will bring together people from our varied and rich spiritual traditions in the community. We would love to have a chance to welcome you (or welcome you back) and get some fresh ideas from you about how to best respond to the current needs and interests of our neighbors.

If you have an interest in finding out more about what's going on this fall at the church please give us a call at the church office (603) 783-9365, or email me at [hless40@gmail.com](mailto:hless40@gmail.com)

You are always welcome to join us for worship that includes great music and friendly people at 10 a.m. on Sunday mornings. And I invite you to check out the content of this newsletter to see just a small sampling of the rich opportunities our broader community offers us.

Peace,

Pastor Sara

# CHURCH NEWS

## A day of prayer, exploration and community

We hope you will join us on Sunday, Nov. 5, at the Shaker Village for a special day of worship and spiritual exploration co-sponsored by the village, the Canterbury United Community Church, and the Church of the Woods / Kairos Earth.

We're calling it "Hands to Work, Hearts to God: Living a spiritual life in the world around us," and we're very excited about the opportunity it offers for all of us to step outside of our normal ways of worship and reflection and experience different ways of connecting with what matters most in life.

The day will begin at 9:30 with registration, coffee and morning food, followed at 10 by a joint church service presented by the CUCC and Church of the Woods and held in the village. Offerings collected during the service will go toward covering the day's expenses, and any surplus will be donated to the Canterbury Fund as an expression of community service.

At 11, participants will be invited to choose among several options for a time of contemplation, individually or in a group, outside or inside.

At noon, we'll share in sacred fellowship over a potluck lunch.

And at 1, participants may choose among several more options for active worship, such as singing, art, and yoga.

The event will end at 2:30, following a closing gathering around the question of how to carry its spirit forward.

Keep an eye out for more on the town email list, in the November newsletter, and on the Shaker Village, Kairos Earth, and Canterbury United Community Church websites for information about registration and more details!

Susan Bennett, executive director, Shaker Village  
Rev. Steve Blackmer, Church of the Woods / Kairos Earth  
Rev. Sara Rossigg, CUCC

**CUCC has a Website!**

CUCC has a new website, thanks to AJ Vincelli. It will be populated with all things church and community related. Check it out! It's wonderful!

## Benevolent Society

The Canterbury Benevolent Society will be meeting at the Parish House on October 11th, at 9:00 am. Hostesses are Janet Pessolano and Denise Sojka. Devotions will be given by Mary Colburn. Our program will be led by Judy Nelson who will be showing us how to make those delicious Shaker Hand Pies, hence the earlier start time.

The Annual Holiday Fair will be held on Saturday, October 21st from 10:00 till 3:00. Delicious corn chowder will be served. The ever popular bake sale table will be featured. Everyone's favorite, the What-Not table will also be there to entice all bargain hunters. Come on over!

## Christian Growth and Learning

Our Sunday School classes are moving to a one-room schoolhouse format this year with 3 instructors who are taking turns teaching. Each week an adult will be needed to assist the teachers with the group. Many people have already volunteered so we have the month of October covered. Classes will be held on October 8, 22 and 29. Children go to the church first with the adults and move to the Parish House for class after the anthem. On October 15th, we'll have what's called a Family Service where the kids remain in church and the service is directed more towards families. We'll have coloring and activity sheets that coordinate with the sermon to keep the kids busy during the service. There is no Sunday School on Oct. 1 because no one was available to teach that weekend.

If you're new to town and would like to join us for worship, the service starts at 10 AM with fellowship following the service in the Parish House. It's a great way to meet new families in town. If you have any questions about the Christian Growth program call Donna Miller at 783-0220.

### Dear Friends,

Thank you so much for your emotional and financial support of the children of A Light for Zimbabwe. We are proud to report that we had two more students graduate from college this year and two more have started Medical School at Univ. of Zimbabwe.

We have an average of 55-60 students in primary and secondary school. Several church members have enjoyed the relationship of sponsorship with individual children.

As we enter harvest season Zimbabwe is entering spring and soon will plant again. This also means that the stores of maize etc., are becoming scarce even driving prices up for those who don't have fields. The economy remains a disaster with high unemployment about 85% and for those who are lucky enough to have jobs as teachers, nurses, etc. their pay is down by about half as money itself is scarce in Zimbabwe.

With your support, we continue to feed our children, provide uniforms, shoes, clothing, school supplies and fees.

As we love and provide for our own children, please remember those far away so we can reach even more

Mwashuma Mwari ( Thanks be to God ) for this opportunity to serve.

The learners in Base Camps Briggs, Cameron, and Wieck performed "Shh! We're Writing the Constitution" on Sept. 18 & 19 of 2017. We worked together to reenact the writing of the Constitution by our founding fathers and the state delegates. Each class also created their own constitution to make rules to keep their class safe and responsible.

In Math, we are working on place value skills and sharing learners between our classrooms. Each class has learning targets to help us set goals and learn in different ways.

Over the summer we read books about adventure for our paper bag project the week of Sept. 5. We had 5 categories to explain about our book and we had to choose 5 objects that related to the story to put in the bag. We shared our projects with learners in other classrooms.

This year we have several Habits of Mind to help us learn. One is "persisting". That means keep working on something even if it is hard. Another habit is "controlling your impulsivity". This is important because it helps you to think about what you're doing and not shout out things. Another habit is "thinking about your thinking". This makes us think about how we see the world and how we problem solve. We used these and other Habits of Mind on our recent field trip to the Polar Caves.

## Canterbury 4H Rascals

We had two meetings in the month of September; one on September fifth and the other on September eleventh. At the first meeting, we welcomed our new members, and recognized members who submitted exhibits into the Hopkinton Fair this year. Twenty-one members submitted projects into the fair this year. Seven members received Best in Show awards, and one member received a Special Food award. Also, this year we submitted a Club exhibit which received a blue ribbon and a special recognition. At the end of the meeting, all the exhibits were returned to their owners. We also discussed our bylaws and operating procedures.

4-H members will be selling NH Fish and Game calendars as a fundraiser. Calendars are \$9.95 each, and \$4.95 goes directly to the Canterbury Rascals. If you are interested in purchasing a calendar, please contact Laura Crockford using the information below.

Upcoming projects include: canning, bread baking for Honor's Evening, floral design and event planning, tree identification, sewing, knot tying, walking/hiking on Society for the Protection of NH Forests land, beaded earrings, fimo pins/figurines, cross-stitch, rug braiding, rug hooking, and much, much more!

Our next meeting, Honor's Evening, will be held on Monday, October 2 with a potluck dinner at 6pm. Please contact Laura Crockford at 540-9877 or [canterburyrascals4H@gmail.com](mailto:canterburyrascals4H@gmail.com) with any questions.

## Canterbury Community Farmers Market News, October 4

### Last Outdoor Market Wed., Oct. 4, "Bison Buddies"

The Native Americans of eastern Nebraska in the late 1600s and early 1700s developed a system of seasonal travel carefully planned to put them at the right place and time to make the best use of the right resources. Between planting in the spring and harvesting in the fall, the tribes left their permanent villages to hunt game, particularly bison.

Here in Canterbury, we are lucky to have a reliable supply of not only pasture raised bison, but beef, pork, and chicken as well. Be sure to stock up on these healthful, local meat products to grace your dinner table all winter long!

### Music by Paul Hubert

Bring a sweater because it gets a wee bit chilly by the end of the day, and enjoy Paul's tunes as he sings us out of Summer and into the cooler, darker months. Thanks so much to ALL the musicians, and especially our music sponsors, who have made this a delightful summer-long listening experience.

### But wait, there's more!

Indoor Farmers Markets are scheduled for Saturday, Nov 18 and Saturday, Dec 16, 10am-1pm, at the Canterbury Elementary School (CES) gym. Many of the vendors you have come to rely on during the summer, plus some special guests, and a few more crafts than usual.

### We Give Thanks

We are always so grateful to those who make the Market possible each year! THANKS to the ongoing support of our Market Members (especially those who go over and above their membership amount and support us with a little something extra, just because), THANKS to community members such as Mike Bertalone and his spring Sugarin' Off hot dog sales and gift of 100 reusable Market bags, THANKS to the Fifield Family for their gift in honor of Ollie and Mary Ellen, and THANKS to Grappone Automotive Group for the generous donation that helped us to throw the Community BBQ earlier in the season, and provided matching SNAP funds plus many Market extras. Last but not least, THANKS to the shoppers who travelled to the Market from across the street, across town, across the state, and sometimes even across the country, and who brought friends and family with them to our corner of the harvest table.

We loved seeing you at every Market, hope to see you again at our indoor Markets, and again on the other side of snow. THANKS so very much!!

## OLD WAYS DAYS – October 21 & 22

Sat. 10 – 4, Sun. 10 – 3, Jam at 3:00

418 Shaker Road, Canterbury NH 03224

Come join us as we begin the second decade of Old Ways Days. Our motto after ten years is "If it ain't broke, don't fix it."

So we'll have hands-on demos, great music and chili.

New this year will be authentic flint knapping (flaking flint for arrowheads and cutting tools – it's very sharp), definitely the oldest craft we've had at Old Ways, perhaps the oldest period. Also new this year is an Alaska chain saw mill and tractor powered antique planer. And we have a very enthusiastic new blacksmith.

Our alpacas are returning. So are all our musicians with Bluegrass, Americana and Celtic music.

Vintage steam and gas engines will run old machinery. We'll be serving up our great chili.

What else? Spinning, stone cutting, broom making, spoon making, wood turning, hiking trails, etc.

See you,

Dave and Anne

## A What-Not Thank You

I just want to say thank you to all the great people that helped this year with The What Not Sale.

We did extremely well and raised a lot of money for our town. It is heartwarming to see so many come together to support our big annual event.

As always, I feel special living in Canterbury and it never feels better than when I see everyone working side by side to accomplish this huge task for The Fair.

Thank you from the bottom of my heart! Hope to see you all next year.

Take care,  
Sally Hayslip

## THANK YOU!

In May of 2016, after twelve years, I retired from being the administrative assistant at our wonderful Canterbury United Community Church. Last December, I was given a lovely gift certificate for a nursery in Laconia. What a treat! Although I expressed my thanks in our church bulletin, I don't know who all the gift-givers were and so would like to extend a thank you again through the Newsletter to all who contributed. It has been so much fun to get things for the garden and there is even a surplus for next year! I repeat: what a treat! It was a privilege to work with Bill Donoghue and Mel Burrowes and with all of you with whom I came in contact over the years.

With gratitude,

Wendy Sanborn

To the 400+ friends and family who came to celebrate Jon's life with us, who knew and loved the man my son was, Thank You All!!!

A special Thank You to all who helped in any way to prepare for the celebration with us. The out pouring of love, support and generosity has helped to sustain us through this very difficult time.

The Hunger Sucks, Food Rocks Walk/Ride on Saturday went great! The weather was super nice! Thanks to The CUCC's Outreach Committee, all the walkers and riders for a wonderful day! The goal for this walk was \$2,000. As you can see, they surpassed their goal!

The walk originally raised \$2,535 for the pantry.

More money kept coming in...now the figure is \$2,725. Because we are still waiting for a few last minute donations, this figure will increase as well.

## CANTERBURY FIRE DEPARTMENT

This year, Fire Prevention Week is scheduled from October 7 – 13. October 9th is the anniversary of The Great Chicago Fire. It was an event that claimed the lives of 250 people, left 100,000 homeless, burned 17,400 structures and 2,000 acres. Since 1922, the country has recognized Fire Prevention Week. It is the longest running Public Health Observance.

The National Fire Prevention Association has developed a theme each year to teach and reinforce positive behavior to school aged children. This year's theme is Every Second Counts – Plan two Ways Out. The goal is to have students plan an escape route and ensure that if one way is blocked, they have a second means of escape. Students are encouraged to make a map of their house showing two ways of escape from every room. They are also encouraged to make sure windows and doors are not blocked and can be easily unlocked and opened from the inside.

Members of the department will be working with the school to deliver the fire safety message to all classes during that week. The 3rd Grade class will also be participating in a State-Wide poster coloring contest. If you have any questions on home escape planning or fire prevention questions in general, stop by, or call the fire station.

## Do you need food? Let Us Help!

Food insecurity means not having reliable access to enough affordable, nutritious food. More than 800 million people live every day with hunger or food insecurity as their constant companion. You are not alone!

If you live in Belmont, Canterbury, Chichester or Loudon, NH we can help! Go to [www.loudonfoodpantry.org](http://www.loudonfoodpantry.org) or call Sue at 724-9731 to find out if you qualify. If you do, we will make an appointment for you to receive food. You can come in as often as once per week! Please do not wait until you are out of food before you call. Let us help!

## Donations Needed and Always Welcome

During the next few months we must keep up with a large demand for food while our patrons try to heat their homes. In 2016, we gave out enough food for 68,147 meals. That was an average of 5,679 per month. For a current list of needs, check out [www.loudonfoodpantry.org](http://www.loudonfoodpantry.org)

We also need funds to keep the pantry running and to purchase food that is not donated. Other expenses include maintenance fees we pay to the NH Food Bank so we have food and frozen meat, insurances, telephone, payroll (only Sue gets paid, all others are volunteers), fundraising, internet, projected equipment maintenance, etc.

Donations can be brought in or mailed to Loudon Food Pantry, 30 Chichester Rd., Unit D., Loudon NH 03307. Below is a list of collection centers...

**Canterbury Elkins Library** — Food  
**Chichester Camping World** — Food  
**Epsom Care Pharmacy** — Cash Bin  
**Loudon Station** — Food and Cash Bin  
**Loudon Village Country Store** — Cash Bin

## A TRAIL RESTORATION

I'm not sure which is more fun, restoring old trails and building new ones, or just plain hiking them. For years I spent more time building our trail system down back of Old Ways than actually hiking. And now those trails need a re-do, hopefully by next season.

But the most fun I've had recently was restoring the Carding Mill Trail at Shaker Village. Carding Mill Trail is one of three trails constructed by the Student Conservation Association some years ago. They are very well made and routed, real woods paths, quite a different experience than most of the Shaker hiking, on woods roads.

It was the excursion that Ruth Smith organized with Mark Stevens as leader which got me going. Thirty of us went out Old Shaker Road and then the side road to the mill site. Mark gave us a fascinating tour of the extensive mill stonework and some other highlights of the area. It was then that I recalled the actual Carding Mill Trail and an exquisite chinked, cutstone foundation nearby – my “favorite old foundation.” Maybe David Starbuck had guided some of us out there originally. I remembered that the water had been low in the pond due to the dam breach. But now the pond is near to its original size and beauty due to the work of some very energetic and active beavers.

I knew that David Lamb had used the Carding Mill Trail within recent memory so I got him to help me find and flag it. Since then, with the help of Charlie Krautman and my friend and trail buddy Joe Egan, we've blazed, brushed out and removed dead falls, so that the trail is close to its original condition. We limited signage to only the most necessary and created a new section of trail with a bridge below the dam. This because there's a sink hole which I call the “elephant trap” in the middle of the dam.

To enjoy this scenic and historic trail, park at the foot of Shaker Hill where Asby Road comes in, using care not to block field or road entrances. Follow Old Shaker Road (now also a snowmobile trail) to where the long field on your left (east) ends, bounded by a stonewall. Go left by a stone post and along a road beside the stonewall. (Be sure and notice the two culverts covered by huge flat stones.) Before long the trail goes right from the road and then along the top of the dam of the Wood Mill Pond – now dry.

Go right just before the old outlet at the height of the dam and soon skirt the east side of Carding Mill Pond. Cross below the dam. (The mill stonework will be on your left.) Be sure and check out my favorite foundation – “cellar” sign. Follow the roads back. Easily an hour excursion.
